FOREWORD

In our years at Sweeny
Each of us has striven
For success.
We have gained inspiration
From our teachers and friends.
We sincerely hope that we may
Go into life as the type of
Person they will be proud of.

DEDICATION

To one of the nicest, most patient teachers Sweeny High School has ever known who for thirteen years exerted a kind and loving influence upon the students she came in contact with.

To Miss Kathleen Darnell who has become one of the best liked teachers we have ever known.

Commencement Prayer

Lo! A twilight and a dawning over which we con—
It will be both tonight when our caps and gowns we don.
Twelve years will be ending, for them the sun goes down—
But life will be beginning as triumph echoes round.

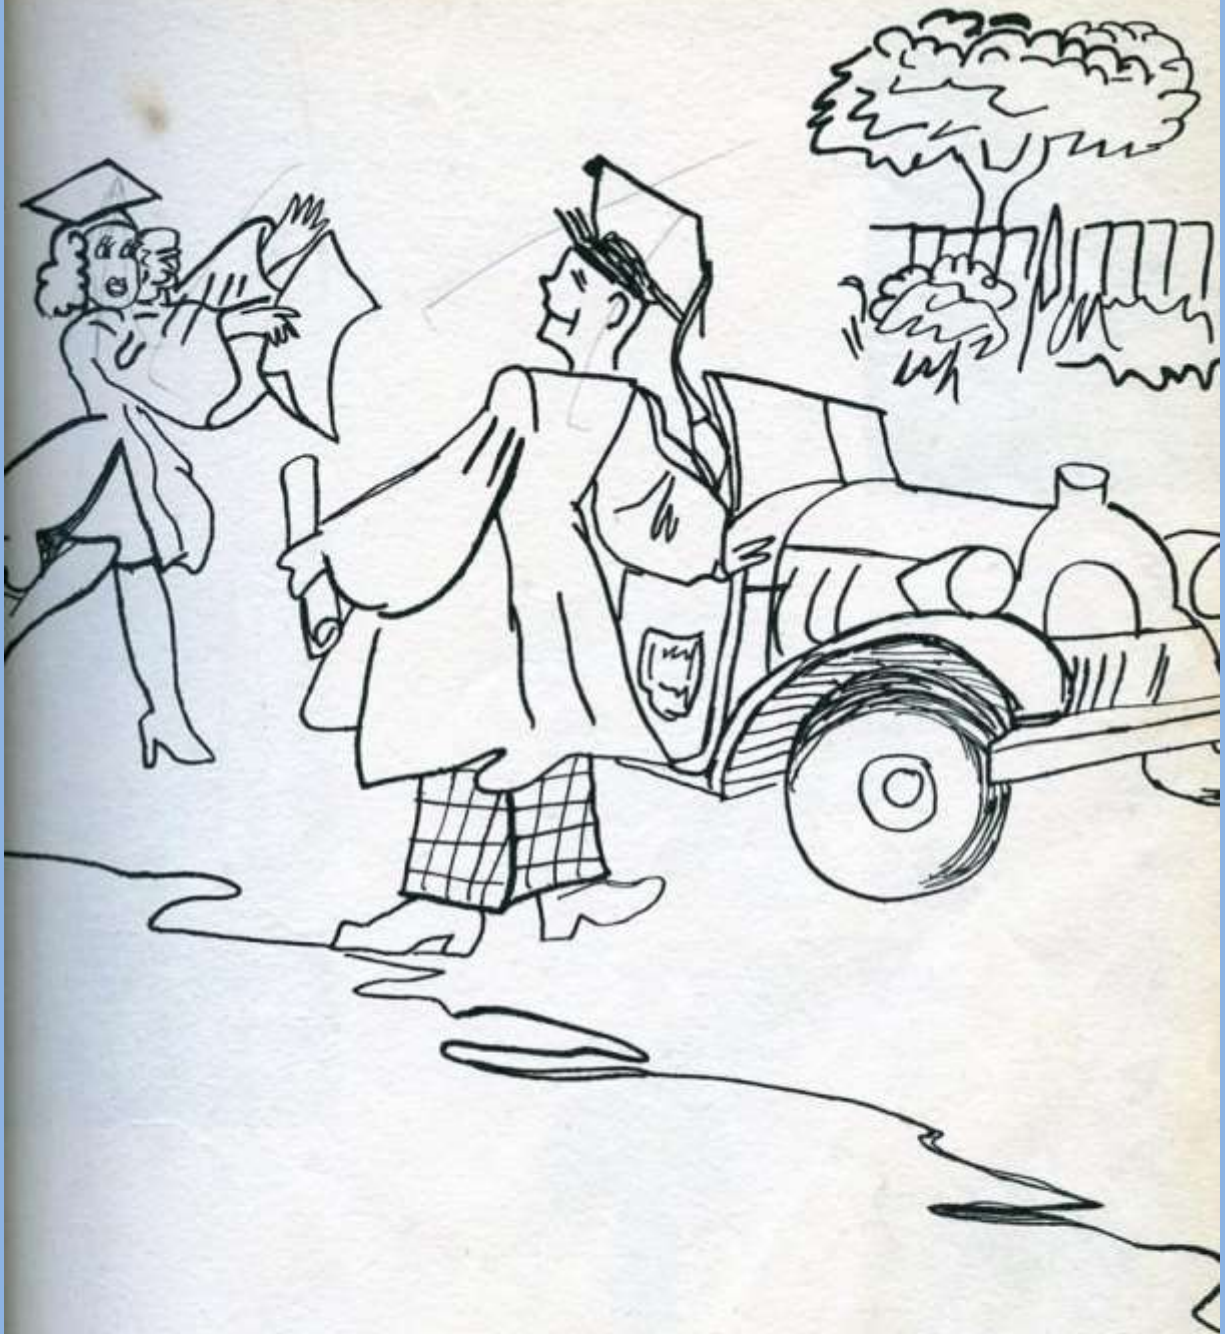

A dream is now awaking to a new life as it must.
Oh, God, we pray thee always teach it to be just.
Teach it truth and honor as we know it now.
May it be pure and flawless 'til life's eternal bow.

Shelter all our memories; the old, the good, the true—
Keep alive to cherish the friendships we once knew.
Help us take defeat with a smile forevermore.
Let no fears assail us when we open our life's door.

Triumph is our song; yet may we ever fight
To keep alive the memory of lavender and white.
In that land of rainbows that we will someday win,
A joyous shout will echo; our class will meet again.

I WONDER??

Why Bobby Dickson ever left Wyoming?
Why Bobbie Louise wanted to meet Betty Hill?
Why a few Seniors don't get married and make it unanimous?
Why Ann never giggles?
Why Lionel and Lynwood are such good friends?
Why Pinky never gets a haircut?
How Brucie learned Chemistry so easily?
What the contents are of the letters Evelyn receives?
Why Turzy jumps at the mention of Donnie?
Why Beaulah and Betty are such good friends?
Why the boys lost Regional?
Why Rosa Nell never loses her temper?
Why Joanne never rides a bicycle?
Why Jimmy O'Banion is determined to settle down?
Why Anna never trifles on Billy?
Where Elaine met Shorty?
Who stole Don's camera?
Why Terry washes Don's shirts?
Why Seniors are granted so many privileges?
Why the Annual Staff has so much Co-operation?
